We appreciate the efforts of the counseling staff to encourage and support students to find scholarship opportunities. It is our hope that students will be inspired to take an active step toward personal responsibility regarding their government and their country. As a committee, we have pledged to be more involved in this process and will be contacting your high school counseling office in the near future for advice on how to “get the word out” to students about this opportunity. We look forward to working together.

Sincerely,
